

Unstoppable cleaning power for you: AQUATAK High-Pressure Jet Washers

BOSCH

Invented for life

E-mail: contact@caple.in Mobile: (91) 99200 71716

AQUATAK: High-Pressure Jet Washers are here to drive the dirt out of sight. The AQUATAK range of products offer a combination of high power, outstanding durability and ease of use. Exceptionally powerful motors with up to 3000 Watts guarantee peak and consistent performance every single time.

COMPACT

AQUATAK 100 / 100 Plus:

Ideal for frequent and small cleaning tasks

With AQUATAK 100 / 100 Plus, it's possible to do away with the dirt and give your home or car that super clean look. It is ideal for small cleaning tasks in your home and especially useful for cleaning on a regular basis. AQUATAK 100 / 100 Plus can be used for many other cleaning applications, including cars, two-wheelers, driveways, pathways or even garden tiles.

Specially designed for
Home Use only

Vario-Jet-Fan

Variable adjustment from high-pressure to low-pressure and from fan spray to a single jet.

Roto-Power lance

The oscillating jet of the roto nozzle dislodges even the most stubborn dirt in seconds.

Flexi-Jet lance

360° rotating ball head joint for convenient cleaning in hard-to-reach areas.

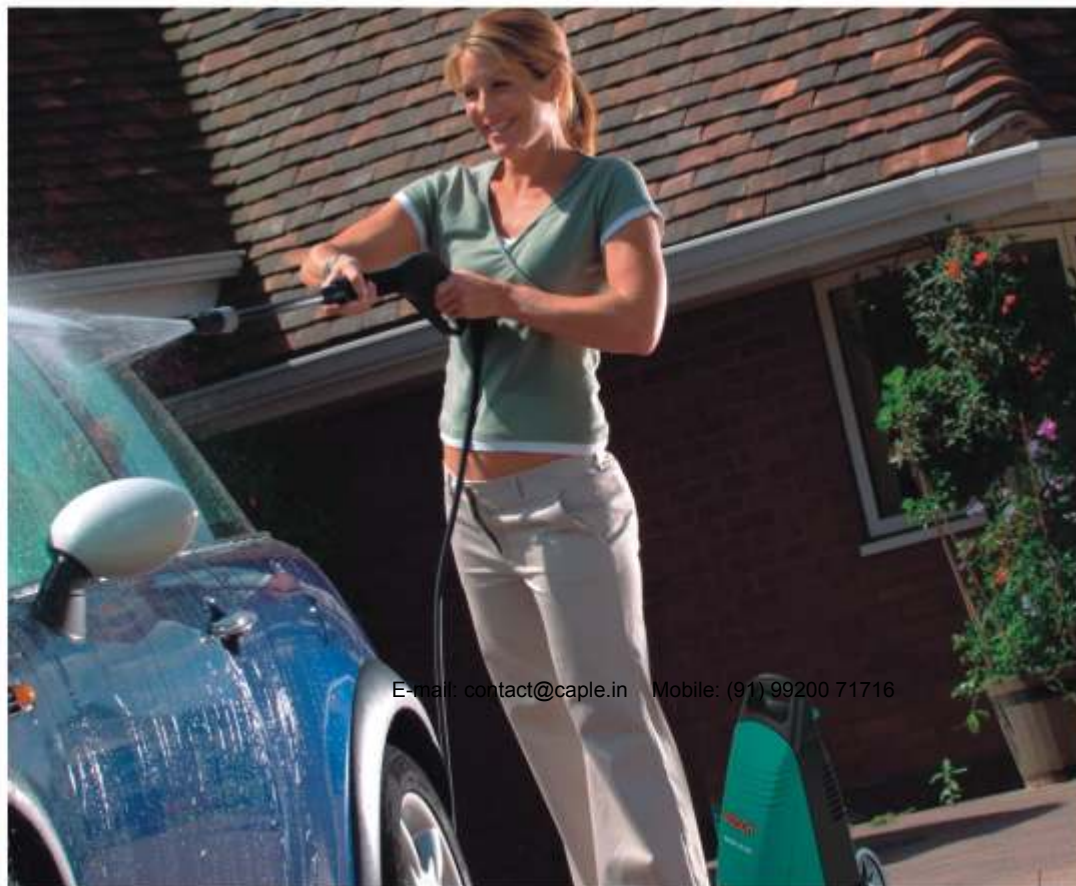

Wash brush

Easy to use and handy brush for washing.

Integrated detergent tank

For stubborn dirt, simply fill with detergent and set the lance to low-pressure. For AQUATAK 150 PRO/160 PRO X/1250.

Aquasurf Patio Cleaner: The perfect surface cleaner

The Aquasurf Patio Cleaner ensures that surfaces can be cleaned without spraying water everywhere. And it saves a lot of time with its closed dome and its two high-pressure water nozzles which cleans three times as fast as the standard jet lance. The optimum solution for all requirements - whether driveways, patios, walls or garage doors.
